"Scotch" Body Brussels at \$13.50; 9x12 feet. Weave, pattern, color, exact copies of the real Body Brussels; made of "Jute," an imported cotton, very strong, firm fibre.

These rugs are commended especially for dining room use where wear is greatest.

Matting Rugs, 9x12 feet, of heavy China Matting in neat block patterns; Red, Blue and Green; also for dining room use, price \$4.

New Spring Hats, \$3, \$4, \$5

Every one of the seventy-five women who get these hats may be assured of an individual style, because not one hat in the entire collection has been duplicated in the same design and color.

Stiffly tailored walking hats, chip hats with the new "Crash" bands or other effective trimmings; and the soft panama hats appropriate for the school or college girl are among them.

In virtue of their extremely good styles and materials the prices should be \$5 to \$7.50.

New methods have reduced the operating cost about half—thus pulling the prices down.
